FROM THE EXECUTIVE BOARD

At the last General Meeting, Mr. Irving Mandell tendered his resignation, which has been accepted. Mr. Frank Walters has assumed the chairmanship of the LVRA and will hold that office for the unexpired term.

The Executive Board urges you, the people to take full advantage of your Tract Representatives. If you have a grievance, suggestion for any improvement, an idea that you think would benefit others bring any of these to the attention of your representative. He is your direct line to action. The LVRA IS YOU AND YOUR NEIGHBOR, so join now and you will be helping to get THESE THINGS DONE!

We are pleased to have as our new Social Committee Chairlady, Mrs. Muriel Reynolds, of 868 Lakehaven Dr. Anyone interested in this type of enjoyment, please contact Mrs. Reynolds.

NOTES AT RANDOM

Shades of Graham Bell ..The Pacific Tel & Tel informs us that phone service should begin before or on 31 July 1958 in Unit three. Pre-installation has begun already. Mobile Monuments...Still noted..a lot of cars being left for long

periods of time, like weeks, in certain areas in Both tracts. As was said in the last edition of the Villager, these old cars and trucks are unsightly as well as constituting a hinderance to emergency vehicles. The problem must be handled by individuals living on streets concerned. The local police will handle the matter tactfully and expediently. They're listed. So We Goofed.. Someone snuck one in on us and Dick's Super Mkt. will be in the Plaza, in lieu of Broadway or Luckey. God Loves Children .. So let's help Him by controlling the weight of our feet on the go pedal. It has been reported to us by many people that there are many going well over the 25 mile per hour speed limit in our tract. In hopes of reducing speeding we are contacting the Triple A about signs for the tract and we should know before this newspapers next publication.. Pooch Parade...All canine residents must be licensed, leashed and/or contained. Rabies have been reported and dogcatcher service will be inaugurated on a regular basis. If you love your pets, keep them tagged and tied. Only your wallet can get them out of the pound.

Newshounds and writers..If you are interested in working on the staff of this newspaper, contact Jim Impey, ... Advertising..This newspaper will accept for printing any advertising for legitimate business carried on by Lakewood Village Residents. It is felt that this service will be of value to consumers and business people as well. There will be a very nominal fee charged, the exact amount being determined by size of ad. All fees go to the editing, printing, and delivery of this newspaper. In addition to advertising we will run ads for rides wanted or riders wanted, lost and found, etc...It Shall be Known The Planning Commission is holding all bids of service stations in Sunnyvale pending investigation of need. The Shell station to have been built on Lawrence Sta. Rd. is among those being held.

SCOREBOARD

Your Lakewood "slow pitch" softball team lost its first official league game last Monday night, May 26th at Washington Park to Ampex Audio by a score of 10 - 3. The game was much better than the score indicated. In three bad innings; errors & lapse of memory gave Ampex almost all of their runs & except for lack of power hitting the team could have won the game by a score of 3 - 2. Impey & Mark-with led the team with two hits a-piece & Burkitt hit a three run home run in the bottom of the seventh. The next game will be on Thursday, June 5th at Washington Park. Starting time 7:30 p.m. COME ON OUT AND BACK UP YOUR TEAM.
