

L.V.R.A. PICNIC WAS A BIG HIT !!

The LVRA is quite pleased with the results of our first Village wide activity. Although the profit was small the satisfaction of having presented an enjoyable day was huge.

The day was well directed with the exception of a misunderstanding on the baseball schedule the day went without a blemish.

The children had a tremendous time in all their games and as children will, consumed huge quantities of milk, ice cream, and goodies. The adults consumed much of another type beverage.

The Pie Eating Contest was a smeaery success. It was difficult to know where the pies ended and mouths began! Cheeks, chins and noses showed earmarks of battle and chewing was forgotten.

The tug of war began as such but ended in a malee of adults, kids and anyone else who could find a place on the rope. Know who won!

The tots went balloon happy and bobbed around like bubble bearing pixies. The dust and dirt also suffered a drubbing from little hands and knees.

Dancing, swimming and general fun rounded out an enjoyable day.

The wonderful prizes contributed by local merchants were a crowning success to the picnic and everyone who won were more than pleased. These merchants are listed in this edition and have our deepest appreciation and thanks. Patronize them as they were gracious to you.

VANDALISM

It has been brought to the attention of the Executive Board that acts of vandalism are occurring in our tract. This is a most serious matter, as vandalism in any form not only detracts from the beauty of our neighborhood, -that means money out of our pockets - but any tract that gets a reputation for this sort of thing is on a down-hill grade.

The police are notified in each case, and when the vandals are caught, the parents are liable up to \$500 for each offense.

Vandalism, the willful destruction or defacement of property may start in small ways, but once such acts become commonplace and no serious effort is made to curb them, a neighborhood may even become the target of outsiders who might wish to indulge in a destructive manner.

Parents, keep your eyes open, and know where your children are at all times. Let's keep Lakewood a tract where people are proud to live. It's up to us!

LITTLE LEAGUE

The National League pennant race may be close, but not so close as our own Little League! With four games played, our four teams, the Yankees, Dodgers, Braves and Giants are in a four-way tie for 1st place each with two wins and two losses.

Many of the boys show lots of promise as future "BIG LEAGUERS". In fact two of the boys, -- Don Naylor of the Braves, and Bryon Van Ness of the Yanks. have each hit at least one home run in each of the games they have played so far. The games are all played at Fairwood School Tuesdays at 8:00pm., Wednesdays at 10:00a.m. Saturdays at 10:00 a.m. and 12:00 noon. The boys are really worth watching, and we know they would like to see you out there rooting for your favorite team and players.

CALLING ALL JOURNALISTS!

Calling all journalists! Teenage and adult. Put to use your hidden talents. Be a reporter for "The Villager" in your spare moments.

Any news down on your block that you think we could use? Items such as; where you have been; where you are going; people visiting; new baby are what we need so don't hesitate to call us.

Teenagers! Can you spare an hour a month to help us keep our community in the know? Come out and help circulate the Villager.

Do you have a business you wish to advertise? Items you wish to sell or service you wish to render? Inquire about our classified and display ads by calling RE-6-2374, RE 6-1380 or RE 6-0853.

**Editorial:
(GOOD NEIGHBORS)**

Some residents have not been watering their lawn between the sidewalk and the street. The result is a lowering in appearance of the entire area, and eyesore for their neighbors and visitors.

Those who have not been maintaining this area fail to realize that they and their home are judged partly by its appearance.

This area is difficult to water, particularly on corner lots, but can be handled with a minimum of attention, if a long soaker hose is used.

If your neighbor fails to respond favorably to gentle hints of this matter, contact your Area representative for further action.

FROM: EXECUTIVE BOARD

The LVRA is trying to grow into something big & well organized for the future of all you homeowners! This simple question brings to mind several questions. Where are all the people who sit at home & talk about what they would do if they belonged? Where are all the people who throw junior-sized tantrums when the LVRA does something they don't like? Most of all where are all the people who think that they can't afford 2 hours per month & \$ 2.00 per year without first attending a meeting or contacting anybody to find out about the LVRA?

WE of the LVRA have an obligation to you as residents of Lakewood Village in trying to better our immediate community; it's too bad that a handfull of people are doing what hundreds could be doing much easier.

We are endeavoring to shorten the meetings, make them informative and serve refreshments all in the short time of 2 hours- - - why not stop in for the next meeting- bring the kids babysitting is available.
