I am a registered nurse and a homemaker. I moved from my native hometown of Santa Cruz Ca to Sunnyvale in 2007 and found my home here in Lakewood village in 2010. I plan to stay in this neighborhood as I feel it is a wonderful place to raise my family . I love our neighborhood for its beautiful weather and large neighborhood parks and schools which I enjoy with my two young children and my dogs. I have a passion for gardening and a strong interest in our environmentally sustainable living .

As a member of LVNA's governing board, I am excited to participate in organizing community events. My goals is to work to maintain and improve the PRIDE OF RESIDENCY, BEAUTY SAFTY AND A SENSE OF COMMUNITY IN OUR NEIGHBORYHOOD

Hello Lakewood Village, my name is Juan Antonio Moreno Sr.

I have been a resident of Lakewood village for almost 10 years I have really found my home here. My 3 kids all went to Lakewood Elementary and I've worked in Sunnyvale for all but 2 years that I've lived here. My wife Sandra Moreno is LVNA 1st vice President and I am going to serve as your treasure.

Story continued:

I originally grew up in San Jose Ca, then spent 10 years as an Electronic Technician in the Navy. Those years were also spent raising my 3 kids with my wife Sandra, and once our clan grew to 5, it was time to move back to the Bay Area where our family was. Since moving here, I have coached many Junior Giants games and held many little league practice at Lakewood Park. It is such a blessing to have these great parks and the green belt just steps away

I really love this community and hope that we can help make it an even better place to live and play. Through this newsletter and through social outlets I hope to connect with more members of our community
